Sir:

The Examiner is respectfully requested to consider the references, copies enclosed, which may qualify as prior art. For the Examiner's convenience, the references are listed on the attached Patent and Trademark Office Form PTO-1449.

In accordance with 37 C.F.R. 1.97 (d) and (e), the references cited herewith were first cited in any communication from a foreign patent office in the corresponding PCT application not more than three months prior to the filing of this information disclosure statement.

The references and information provided herewith are cited in a spirit of forthrightness and cooperation to enable Applicants to obtain that measure of protection for the invention to which there is entitlement. However, no representation is made that the listed art actually

qualifies as prior art under the patent statute and the mere use of PTO-1449 is not an admission that all listed references are prior art. No representation is made that Applicants know of the best art.

References listed in the PTO Form 1449 submitted herewith which do not specify the month of publication have a year of publication sufficiently earlier than the effective US filing date and any foreign priority date so that the particular month of publication is not in issue.

It is believed that this submission does not require the payment of any fees as this submission is made prior to the mailing of a first Office Action on the merits under 37 C.F.R. 1.97 (b)(3). If this is incorrect, however, please charge any requisite fees to Deposit Account No. 07-1969.

Respectfully submitted,

Susan K. Doughty
